

## Ruth 2

Name .....

### Harvest Time

*Gleaning means picking up the bits of corn left behind by the reapers. God had kindly made a law to make sure there was free food for the most needy.*

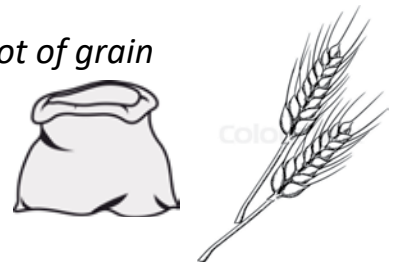

#### Look at Ruth chapter 2

1. Ruth went into the fields to *clean / glean / have a rest*
2. The field belonged to *Boaz / Benjamin / Babel*
3. Boaz was *friendly towards / angry with / too busy to notice* Ruth

*Boaz knew how kind Ruth had been to Naomi, so he provided food, water and protection for Ruth. He even told his men to drop some extra grain for Ruth to collect. Ruth was surprised at his kindness, as she was only a poor foreigner.*

4. By the end of the day Ruth had collected *only a handful of grain / a lot of grain*

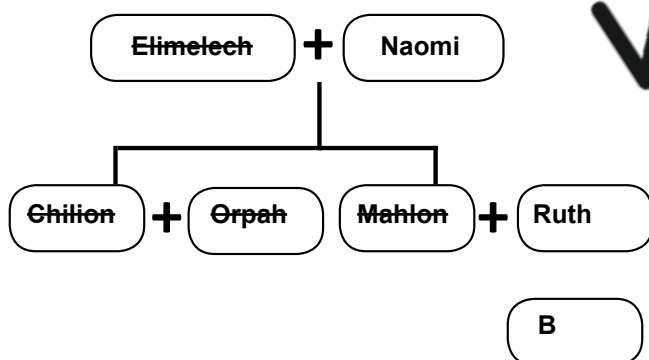

*Boaz didn't need to be so kind. He showed **grace**, or favour, to Ruth just because he wanted to. The Lord Jesus is like this. We don't deserve God's favour because of our s \_ \_ , but He shows great grace to those who turn to Him.*

5. Who did God send to the world to take the punishment for sins? .....

*He did this even when we were His enemies, because of His great love for His people. Have you trusted in Jesus to take away your sins?*

Naomi told Ruth that Boaz was one of their family. She knew God was looking after them. If you put your trust in the Lord Jesus you can be sure God will care for you.
