Meeting the Need

Ruth chapter 3

Ruth worked hard in the field every day. When all the corn was gathered in, the men used to beat it until the grain fell off. The rest was rubbish. Sometimes the wind blew it away, or else it was put in a heap and burned. Boaz made sure all the grain was safely gathered in.

Naomi knew Ruth needed a husband to look after her. Boaz would make a good husband. She told Ruth to go and ask him if he would marry her. Boaz said he would like to marry Ruth, but he needed to ask someone else first. He would speak to him the next day.

Boaz gave Ruth 6 bags of barley to take home as a present. Naomi said they just had to wait quietly to see what God would do for them.

Ruth had a need. And we all have a need. We need to be rescued by Someone, the Lord Jesus, from our sins. Will you go to Jesus to ask Him to rescue you? He is the only One Who can wash us clean and make us fit to go to Heaven.

Find out next week if Boaz could marry Ruth.
