

# Laish: A Dream World

Refer to Judges chapter 18 v 7-12 and 27-30.

1) The tribe of Dan needed more land so they went to search for some. What was Laish like? (See v 7-9) .....

2) Why do you think the people of Laish did not have rulers or links with any other cities? .....

3) Who were they relying on to keep them safe? .....

*It sounds a great life, doesn't it? But was it so good in the end? We are just like the people of Laish by nature. We think we don't need God. But actually we really do. The people of Laish found out their mistake.*

4) What happened to the people in Laish who trusted in themselves? .....

5) What will happen to us if we go through life just depending upon ourselves? .....

6) Who is our big enemy, making sure we don't think or worry about our souls and our eternal destiny? .....

*Think about this seriously this week. Are you depending upon God to save you from your sins? Have you ever thought about it? God is a kind Father, always ready to receive those who come to Him through the Lord Jesus.*
