The Parable of the Pounds Lesson 80

Read this story in the Bible:

Luke 19 v 11-24

This parable is about a nobleman who was going away for a while. Before he went he gave one pound to each of ten servants to make money with.

When he returned the nobleman wanted to know how much each servant had earned with his one pound. The first two servants had earned money for their master by working hard. "Well done!", he said to them both. "You have been faithful. I will give you authority over some cities."

But the next servant said, "Here is your pound. I feared you, so I wrapped it up and buried it in the ground." He had done nothing with his pound. The nobleman was angry. "You have done nothing! Take away the pound from him!" The servant was sent away with nothing.

Jesus is like the nobleman. Before He left this world to go back to Heaven, He had died to take away the sins of all who trust in Him. Then He rose again and went back to Heaven. He wants us to believe in Him and come into His family. Then we will love and serve Him. Jesus will return one day. Will He find that you have believed and trusted in Him, or will you have done nothing?
