

**MOUNT ZION BAPTIST CHURCH, 16 CANTERBURY ROAD,
ASHFORD TN24 6JX**

**RISK ASSESSMENT FOR RE-OPENING THE CHURCH BUILDING
FOR WORSHIP:
5 SEPTEMBER 2020 UPDATE**

As a result of a special Church Meeting on 3.9.20 the following amendments have been made.

Evening Worship

As from 13th September 2020 we will also be holding a Sunday evening worship service at 6.00 pm each week. The same procedure as for the morning worship service will be in place, with some additional safety measures. People will be encouraged to sit in the same seats as they did in the morning.

Cleaning between services

After the morning worship service the upholstered chairs will be sprayed with Ethyl Alcohol to sanitise them. All door handles, handrails and toilets will be cleaned with antiviral wipes, including the outside door handles as the last person leaves the building. This will be done by volunteers on a rota basis, who will sign to say this has been done. A folder with forms for this purpose will be kept in the lobby along with the cleaning materials.

Sunday School will be held as from 6.9.20 in the afternoon. Appropriate cleaning as above will be carried out after Sunday School from 13.9.20.

After the Sunday evening worship service the building will be quarantined for 72 hours. No one should enter the building until Thursday unless specifically authorised. Anyone entering after this time should wipe anything they have touched with the wipes provided, including the exit outside door handle.
